

Katiedyd's 2021 Read Harder Challenge Declaration*

FORM NUMBER (filled by staff member)

I, _____, hereby accept the Katiedyd's 2021 Read Harder Challenge.
PRINT NAME

I will be honest as I am filling out the form and only add books that I have indeed read during the 2021 year. The aim is that I read books that are new to me but rereading books is not prohibited. Either way, I must read or reread the participating books during the 2021 year. As this is a challenge, I am not guaranteed to win the prize and am merely *competing* to win. I will stay fair, honest, and respectful at all times.

I will abide by these rules for the duration of the challenge:

- It is one person per challenge form, no sharing. Handwriting consistency will be checked.
- A book may only be listed once for a single category. No books may be repeated.
- The challenge form must be submitted **before** January 1st, 2022 to qualify.
- Final decisions are decided by Katiedyd's Book Nook staff only. No outside interference is permitted.
- The prize is good for the entirety of the 2022 year and must be used up during that time.

I understand that the \$40(+tax) participation fee is nonrefundable. If it is discovered that I have cheated in any way, I will be disqualified from the challenge. Two disqualifications in a row and I will be barred from participating in the current and any future challenges permanently.
