

Katiedyd's 2021 Read Harder Checklist

The goal is to read at least one book from every one of the 18 different themes listed below within the 2021 year. The books can be about anything else as long as some element meets the criteria that you are aiming for. This is about experimenting with books outside of your usual genres and comfort zones. Happy reading!

- A doorstopper book (over 500 pages) that is published after 1950 & written by a woman
Title: _____ Author: _____
